

Maluaka Lifestyle

Owning a home at *Maluaka* includes membership in Maui's newest private club, The Club at *Maluaka*. Nestled into the hillside overlooking the manicured fairway of the *Makena* South Golf Course and scenic *Makena* Bay, The Club at *Maluaka* offers members an opportunity to relax and enjoy island living.

Members will experience exceptional dining, a complete spa and wellness center, a variety of water sports, private adventure tours and many other customized experiences ---all unique to Hawaii. Activities are designed for every member of the family, from small children to grandparents, allowing each to experience *Maluaka* in his or her own way. *Maluaka* offers full beach services in addition to all manner of water sports equipment and instruction provided by the club's experienced beach attendants. Surfing lessons, tide pool exploration, scuba diving, snorkeling, sailing, outrigger canoe rides, deep sea fishing and other ocean-related adventures will be offered.

The Club at *Maluaka* offers residents a sanctuary for meeting, dining, entertaining and relaxing. In a beautifully-designed pavilion, owners and members will enjoy dining and socializing while overlooking the pool with expansive views of the sea. The *Hale Ola* (House of Health) spa offers the legendary healing powers of treatments born in Hawaii. Renewal and wellness, *ka hana hoana*, are important components of life at *Maluaka*. A state-of-the-art fitness center will offer advanced cardio-vascular and strength equipment along with Pilates, Yoga and a full-time personal trainer. A balanced life is the mantra of *Maluaka*.

The full-time club concierge is devoted to the needs of members, including pre-arrival services, reservations at leading restaurants and entertainment venues, and arrangements for Maui activities, from down-hill bicycling to concerts. Amusements for the *keiki* (children) can be arranged as well as private car service.

Residents will also have an opportunity to explore legends and stories of *Maluaka*, *Makena* and Maui with local experts in archeology, anthropology, and history. Walks will be conducted along *Ala Hele*, the ancient trail of kings. Story-telling will depict the lives of those whose footprints came far before us in the *Makena* sands.

Club membership also offers the privilege of stewardship in one of Maui's most revered locations. For centuries, native Hawaiians have come to the shores of

Makena Bay to cast their nets into the sea. *Makena* is revered as a place that conveys a special blessing to those who respect its wonder, beauty and cultural history. A wealth of life-transforming experiences awaits members who wish to enrich their lives while giving back to the earth and the community. This is the very essence of the Hawaiian way of life; and it will be made possible for those who want to engage with this special community in a meaningful way.
